## A Month of Sundays in July

---

(All Sunday morning services at 10:30 a.m.)

**Sunday, July 6<sup>st</sup>**     *"Love Reaches Out"*

Rev. Sara Huisjen, Worship Leader

**POTLUCK**

This year, 13 people from this congregation went to the UU General Assembly in Providence, Rhode Island. This service will share some of what people were inspired to bring back about how love reaches out in our life together as a Justice seeking congregation.

**Sunday, July 13<sup>th</sup>**     *"What Language Shall I Borrow?"*     Rev. Vesta Kowalski, Guest Worship Leader

**HUNGRY SUNDAY**

The language that we use to speak of the things that are most important to us can bring us together, and can as easily be a source of conflict. This talk will reflect on the perils and promise of our attempts to communicate our deepest beliefs.

The Rev. Vesta Kowalski, a year-round resident of Mount Desert Island, is a retired Episcopal priest with a Ph.D from the Jewish Theological Seminary. She often teaches classes on biblical topics for Downeast Senior College and Acadia Senior College, and regularly leads services and an adult education forum at St. John's Episcopal Church in Southwest Harbor.

**Sunday, July 20<sup>th</sup>** *"Our Liberal Lineages"*

Rev. Peter Richardson, Guest Worship Leader  
Kay Wilkins, Worship Associate

We celebrate our freedom, each of us bringing our unique views to the well-being of the whole. Historically Unitarian Universalists have developed four distinctive perspectives not present among religions before, two from our Unitarian and two from our Universalist heritages. At the UU merger in 1961 these swirled around together with more influences in the mix from the surrounding culture. I find the story engaging and hope you will too!

Rev. Peter T. Richardson served congregations in Ohio, Texas, Massachusetts, and Maine, retiring to Rockland in 2002. He is the author of 5 books currently in print of UU history, Religious philosophy and poetry. He is currently writing Universalists and Unitarians of Maine.

**Sunday, July 27<sup>th</sup>**

*"Our Safe Passage Pilgrimage"*

Rev. Sara Huisjen and UU Youth, Worship Leaders

For 10 days in July, 17 UU Youth travelled with Rev. Sara and 5 other adults to Guatemala City to volunteer with Safe Passages. Please come hear what we learned about the world, ourselves and our responsibility to embody love in the world.

**ANNUAL PICNIC AT LAMOINE BEACH**  
**after the Worship Service 1 to 5 p.m.**  
**ALL ARE WELCOME**

### From the UUCE Board

---

The Board of Trustees had its annual retreat at Evelyn Foster's house on June 12, welcoming new members Robin Lovrien (Secretary) and Margaret Thurston. Others present: David Wilcock, president, Don Martin, Treasurer, John Fink, Vice President, Evelyn Foster, Peggy Strong, Stephen Berger, Tom Martin, Eileen Brennan, Rev. Sara Huisjen.

Don Martin, treasurer, reported that pledges have exceeded the goal for this year's stewardship campaign, partially due to the fact that there were a number of people--including some new members--pledging for the first time.

In reviewing the past year, the board agreed that things are going very well, with pledges and membership up, and that the issue pertaining to Rev. Sara and one of the church families was overall handled satisfactorily. This result was largely attributed to the adherence of the board members to

the covenant agreed on at the beginning of the previous board year. It was concluded that a covenant was necessary to assure the best functioning of the board, and a slightly revised one will be developed before the next board meeting.

The rapidly expanding Religious Education population and its needs were discussed at length, with Rev. Sara noting that the Religious Education Committee has been of great help in mapping out a way forward for RE. The committee will continue to work at helping the coordinator and teachers develop a solid curriculum for the program.

The need for an evaluation process for the minister and the religious education coordinator was also discussed. An evaluation questionnaire and procedure will be completed by board members this summer.

The calendar for 2014-15 was discussed. It will be finalized in the next few weeks so that events can be publicized.

Respectfully submitted,  
Robin Lovrien, Secretary

### Hogwarts Downeast begins July 13<sup>th</sup>

If you would like to be a Visiting Professor during Hogwarts Downeast this summer please contact Anne Ossanna.

Summer Greetings from the Carl Stehman Wing!

What a fantastic year it has been, my heart is so full of joy and gratitude. So many people came forward this year to help with the RE offerings at UUCE, and everyone's efforts have shown. The children were brilliant at the RE Service in early June. The congregation witnessed the special bond the teachers and children have and the meaningful work that is being done in the Carl Stehman Wing.

Many thanks to the following members who taught RE offerings in June: Jody Murphy, Kim LaPlant, Lisa Whittemore, Cecily Judd, Bob Dickens and Rev. Sara.

The RE Committee has been working hard reviewing curriculum for our RE offerings next year. Later in this section you will find information from RE Committee Chair Lisa Whittemore about plans for next year. Please consider donating your time and talents to our RE Program.

The RE Teachers are taking a well-deserved break this summer and Hogwarts Downeast School of Witchcraft, Wizardry and UU Principles will be in session starting July 13<sup>th</sup>. We will explore the UU Principles through the first 3 books of the Harry Potter series. Harry Potter fans are needed to be Visiting Professors. Please see

Professor Ossannabliss (aka Anne) if you would like to volunteer. Parents, please be on the look-out for an informational letter by email. If anyone has wizard/witches hats and capes to donate, we will gladly receive them.

Woyaya - Anne

From the Religious Education Committee Chair:

**Become a member of our exciting new RE teaching team!!!**

The RE Sunday school is expanding in leaps and bounds. At last count, we will be working with over 30 children! There are lots of opportunities to be involved in our new program. We need lead teachers, assistant teachers, help in the nursery, and assistants for when we combine all the children for “faith in action” Sundays. We can use story tellers and artists and those with a story to tell!!! We will find a way for you to be involved that fits your talents and your schedule.

There will be another class added in October bringing the total up to four. The children will be divided into classes with less of an age span. The class names have been changed to the penguins, the seals, the dolphins, and the whales so that we can group developmentally, if necessary.

The RE committee just approved a full curriculum for the program, “Tapestries of Faith” from the UUA. The youngest group, the **penguins** will have “UU Alphabet”, where, through stories, they will learn about UU people and learn about other things representing the letter of the week. The **seals** will work with “Love Surrounds Us”. This program takes the principles of equality, freedom, peace, acceptance, truth, care, and love and explores them within the context of the “beloved community”. The **dolphins** will be taught “Moral Tales”. This program provides children with the spiritual and ethical tools they will need to make choices and take actions reflective of their UU beliefs and values. The **whales** (the tweens), who are moving into critical and abstract thinking, will be able to examine and scrutinize their ideas and beliefs through the big questions asked in “Riddle and Mystery”. What is so exciting about “Tapestries of Faith” is that each class has a wide array of activities to pick from so that teachers can utilize their own unique skills and talents. Or, the lesson can serve as a guideline if a teacher chooses to be creative in her own way.

What we are going to do is come up with a teaching system that combines shorter stints than a whole semester but allows teachers to work together in teams. We will no longer have teachers teaching in isolation for a six week period, and then have another person swing in after that who the children don’t know. We want teachers to be communicating to each other what has transpired in class, what is going on with particular children, and what works and doesn’t work for their children’s individual needs.

To get everyone ready, RE will be running a teacher orientation and training on September 13<sup>th</sup> from 9 am to 3 pm before our October 5<sup>th</sup> start. Lunch included!!! The program will consist of the following sessions:

1. Policies and Procedures
2. Class ritual, multigenerational services, and “faith in action” Sundays
3. Classroom management
4. Learning styles and developmental stages
5. How to use the curriculum
6. Storytelling and role playing
7. Team building

We will provide you with a fun, supportive, challenging environment in which you will surely come to love the kids and grow from your experiences. If you have questions or any interest at all, please call Lisa Whittemore at 664-1619 or Anne Ossanna at 565-2057. Feel free to grab us after church any time! We look forward to hearing from all of you.

Lisa Whittemore  
Chair of the RE committee

### **The Resilient Landscape**

Every Thursday from July 3 thru August 7, 6-8 pm.

w/ Dan Huisjen

There is much talk of Permaculture and related ideas floating about these days. This is not a Permaculture class or group per se, although we will certainly touch on those ideas. Permaculture is,

among other things, a system of ethical and design principles that suggest some ways to mimic natural ecosystems in, and out, of your garden.

Permaculture is also a copyrighted word, and for those who want a real Permaculture class, there are classes available where you'll pay plenty to get the official version.

But there are other things to learn along the way. What I'd like to focus on is some of the "Master Gardener" type knowledge that would feed into a system of Permaculture, or another system, such as the Russian Dacha Garden or traditional cottage gardens and orchards, or the French and/or Chinese raised bed intensive systems. I want to talk a lot about perennial crops that require less work in the long run, as well as soil improvement and local fertility inputs.

Dan (That's me!) is a long time gardener, once was a certified organic farmer, and went through the Master Gardener training in Oregon, long ago. He teaches MOFGA's yearly Grow Your Own Organic Garden course each year in Blue Hill.

For more information, my email is [huisjen.oes@gmail.com](mailto:huisjen.oes@gmail.com), or you can contact the UUCE office at [office@uuellsworth.org](mailto:office@uuellsworth.org) or 667-4393.

## Treasurer's Corner

---

The 2013-2014 church year ends on June 30<sup>th</sup>. If you have a balance owed on your pledge you will have two extra weeks to complete your pledge. Just indicate the pledge year 13-14 on the memo line of your check. We will not be closing the church books until July 15<sup>th</sup>. If you need to know what you owe on your pledge please contact Alison at the church office or me at any time. Fourth quarter pledge statements will be mailed out the first week of July. If you have completed your pledge we thank you very much.

These figures represent the budget situation as of the end of May 2014.

**Total Income** for May 2014 was \$8,683.45. This was \$4,221.60 less than the total expenses for the month which was \$12,905.05. Total income through May is \$131,587.67, 90.7% of budget which is 1.30% less than the year-to-date percentage of 92%.

**Total expenses** for the same period was 118,124.04, 81.42% of budget which is 10.58% less than the year-to-date of 92%

**Pledge income** for May was \$6,072.00. Total pledges through May were \$80,242.18 or 87.84% of budget which is 4.16% less than the year-to-date figure of 92%.

**Plate Income** for May was \$621.55. Total plate income through May was \$8,308.81 or 103.86% of budget which is 11.86% more than the year-to-date figure of 92%, this continues to be good news.

**Plate income-church** through May was \$6,693.61 or 101.42% of budget

**Plate income – Plate split** to charity through May was \$1,615.20 or 115.37% of budget, which is also good news.

**Fundraising** through May is at \$14,174.60, which is 94.5% of the budgeted amount of \$15,000.00. A small amount of \$129.00 came in towards the auction. We are only \$825.40 short of budgeted goal for charity of \$6000.00.

**Rental Income** for the month was \$1,823.00 for a total through May of \$17,125.00 or 95.94% of budget. Rental income other through May was \$6,125.00 or 111.36% of budget. This is a positive sign. This means that rentals other than YMCA came in \$1,125 more than budget of \$5500.00

I am estimating that Pledge Income will come in approximately \$5000 under budget of \$91,353.00. This is covered by Doubtful pledge allowance of \$6000.00.

I estimate that next month's Expenses will come in at approximately \$6000 dollars above the monthly average of \$12,000.00.

## Building & Maintenance Moments

---

It takes a village to raise a child and it takes a church community to keep the building and grounds in working order. Here are just a few names of the people who went the extra mile.

Thanks to Nate Hanson and his chain saw, chipper and crew; David Wilcock, Don Martin. Then the Landscape Committee cleaned up all of the debris left from the ice storm.

Thanks to Bob Dickens and John Turner for the new traffic and parking signs posted around the church parking lot. We hope it will help traffic flow and keep us in compliance with the Ellsworth Fire Department.

Thanks to Peggy Strong and Matthew Strong for refurbishing the wayside pulpit which was in bad condition and needed a lot of repair.

Thanks to David Dyer for agreeing to change the Quotes on the wayside pulpit while Lance Funderburk is recovering from his accident.

Thanks to Dan Huisjen for cutting up the tree that came down during the ice storm. He said it will provide good fire wood for the upcoming Lobster Bake.

There is a constant amount of work both large and small to be done around the church and we are always looking for individuals to help. If you would like to help please contact me, Don Martin, and we will put you to work.
