Important Notice

"The Annual Meeting of the Society will be held at the church on Wednesday, May 1, 1974, immediately following the supper beginning at 6:30 P.M. At this meeting reports of Officers, Trustees and Committees will be received; election of Officers and Trustees will be held; certain amendments to the Society's Constitution, as fully set forth in the Notice of Meeting posted in the church office, will be considered; the Society's decision with regard to an organ will be sought; and any other business that may legally be presented will be considered."

In order that our annual meeting will not be a long drawn out affair our president, Mr. John Bromley, is hopeful that all members will come with definite *thoughts* as to what they desire regarding the church organ.
