Spring Festival and Family Service

There will be a Spring Festival and Family Service on May 18, with
special provisions for children of all ages. Church will start at 10:30
as usual, followed by a group picnic. Bring a lunch; beverages will be
available.

All church goers are invited, and especially families with children.
For further details, call Dr. Meserve or Helen Silver, or give them names
of families you think might be interested in this service. We expect quite
a few children and will be glad to see more.

From the Parish:

The parish sympathizes with Jean Beal on the loss of her
husband.

From the Minister:

The coming of Spring in our climate is deliberate, slow,
cool. Sometimes it seems to be "two steps forward, one step back, even
two steps back." There is no rushing from bare branch to blossom, from
frost to heat. One has to learn to watch carefully for the little signs
and sounds. One must be patient and alert to notice them. I do not mind.
I think this may be the way that wisdom comes, too- deliberate, slow, cool,
so that the watchful person can savor and enjoy it.
