***** CHURCH SCHOOL *****

Nursery will be operating beginning Sunday October 11th with volunteer sitters. If you are willing to be on hand some Sunday will you let Helen Silver know!

With the older ones it hasn't been decided when and where they'll meet. We have still to find out who has moved and what possibly new ones are around. Let us know if you have children older than nursery and are interested.

WE LIKE YOU TOO

We haven't mentioned this for some time but,....some of you have come into the area in the past few months and maybe would like to affiliate with us! As it says in our hymn book.....

"It is fitting that those who are agreed in the deep things of the spirit should walk in one company together."

If you wish to join us the membership book is available and open to anyone according to the bylaws "in sympathy with the purpose and policies of the Society." (see Mr. Gibbs)

OUR GRATITUDE

To our guest ministers this summer:

Rev. George J. Spencer, UUA
Rev. Harry C. Meserve, Grosse Pointe, Mi
Rev. David B. Loomis, Melrose, Ma
Rev. Kenneth T. MacLean, Knoxville, Tn.
Rev. George Briggs, Pittsfield, Me.
Rev. Thaddeus B. Clark, N. Brooklin, Me.
Rev. Arthur Foote, Southwest Hbr. Me.
Dr. Richard Pierce, Boston, Ma.

The variety of personalities and preaching was stimulating and even more gratifying was the knowledge that these men were willing to make a contribution to keeping the light going in this part of the country. Thanks a million, fellows.

How about signing up for the coffee hour even if you don't happen to indulge? It is a service to the church and an important part of our sense of community Sunday mornings.

Interesting Notes

On the hymns and readings are in the back of the hymn book. While you are waiting for the service to begin check the board up front and look them up.
