The Irving Copp's are back from a couple of years overseas.

### \*\*\* THE DENOMINATION \*\*\*

Needs help. To be more precise our hdqs. services will be cut back dangerously unless financial help is forthcoming. These things are like doctors and medicine. Who worries about them until they're needed! Then - Who can get 'em fast enuf? Enclosed is something to read and do what bit you can. It will be credited to the church.

### Elected

Two new trustees and one officer at the annual meeting. Evelyn Lord and Bertram Magnus, trustees. Carrie Dunbar, Historian. The slate of officers as presented was relected for one year.

On June 1st our one hundred and four year old church was sold. Naturally it is an occasion of mixed feelings. The attachments to a church building are not easily broken. However, what must be must be and we now look forward with growing excitement to locating and constructing a new one.

June 13th is the last Sunday at the old address. Come and make it important. It is a sentimental occasion and if you don't like sentiment then it's not for you.

Children are invited of course and we hope they will come. No dogs, please.

Bring your cameras and flash bulbs if you want. We will not be coy but unabashedly self conscious that day.

Where will we meet from thereon? The announcement will be made shortly by a subcommittee of the Board.

Yes. We are taking the organ, plus some stained glass, afurnace, furniture etc. Some will be in Decrow's barn on Shore Road and some in the Mason's barn.

The week of the 13th to the 20 is moving time. Don't know how you can help but we will think of something.

### Joining the church

If this building holds special significance for you and you haven't gotten around to joining maybe this is the time. The book will be available.

### PICNICS

The Alliance will hold an all-church picnic sometime this summer and the Discussion is planning a couple.

### COMMUNICATIONS

Normally this would be the last one 'till next fall but this isn't a normal time.' Some form of letter plus pulpit announcements will be maintained to keep us all informed - and working!
