IT'S A BOY

To Mrs. and Mrs. David Drake, Blue Hill. Brian Willis on February 1th. Great!

CHINA

We were genuinely thrilled to watch the President's activities in China. The biggest moment for us was when he and his party were walking along the Great Wall. Imagine this actually happening! Incidentally, we were constantly annoyed by our commentators trying to look important, we guess, by making those disparaging innuendos. Seemed not only inhospitable but assumed we folks back home were hopelessly naive.

WORLD DAY OF PRAYER

At the Catholic Church March 3r 2 p.m. This is a real ecumenical occasion. For those who have never been inside a Catholic church this is an opportunity. Father L'Heureux is the speaker.
