

First Unitarian Society of Ellsworth and Hancock County, Maine

Volume 5 No. 35

June 1973

Rev. Richard B. Gibbs

DEDICATION DAY

JULY 1st is the Big Day. That is when we show off our new building. Invitations have been sent to all the churches in Maine and the Maritimes. It being the beginning of summer vacations, and the distances, we naturally do not expect too many to be wandering our way but with the building, the program, and the coffee and sandwiches afterwards we will be prepared.
