Following the business meeting the members of the Alliance were given a musical treat. It consisted of piano selections by the Misses Marion and Louise Donnell and Master Jack Mahoney, pupils of Miss Walker. The ability displaced by these young people deserves more than passing mention, and those who failed to be present at this meeting missed one splendid opportunity. We have artists in our city with whom we should

4

get acquainted. Certainly great credit is due the teacher, parents and pupils. Refreshments were served and the meeting adjourned to meet Sept 19, 1916
